Jarvis Traditional Elementary School

JANUARY 2018

7670 – 118th Ave., Delta BC V4C 6G8 Fax: 604-597-2516 School District: <http://www.deltasd.bc.ca>

Dear Parents / Guardians:

READY, SET, LEARN

Jarvis Traditional is hosting its Ready, Set, Learn session on Friday, January 19, 2018 from 1:30pm – 2:15pm for parents and their three, four and five year-old children. Please help us inform all parents of three, four and five year-olds living near Jarvis Traditional. This is a great opportunity to help preschoolers get ready for school. Families will receive a package of material and an age-appropriate book for their child.

JESSE MILLER PRESENTATION – WEDNESDAY, JANUARY 24, 2018 at 6:30PM

Social media and mobile communications have changed our world and the way our children communicate and socialize – *are you keeping up with the changing technology? Are you comfortable parenting in the age of online communication?* Help your children navigate social media and the online world. Join us for a Parent Workshop with social media expert Jesse Miller. Taking the step to introduce dialogues can minimize risks to those most vulnerable and separate fact from fiction in “viral” fear-mongering within your community. Jesse’s presentation will be followed by a question and answer period.

Jesse Miller is a national speaker presenting and consulting to schools, non-profit groups and companies across Canada. Using behaviour changing presentation techniques, Jesse has an un-matched ability to motivate his audience to evaluate their online profiles, to access privacy and address mobile connectivity issues. Jesse is a trusted resource to numerous school districts in British Columbia and Public Safety Agencies across Canada who uses his expertise to address issues that occur in school hallways, the family home and on social media platforms. LUNCH TIME REMINDERS

If you do not send your child with their lunch and you intend to bring it before 12:15 pm, please let your child know that he/she can pick it up on the lunch table in the hallway. Parents are asked **not** to deliver the lunches directly to the classrooms and **students are not allowed to go into the parking lot to get their lunches**. Please leave the lunch at the office.

HEALTHY SCHOOL

Please keep your sick child at home. Signs of colds and flu include fever, vomiting, runny noses, and coughs.

Hand washing, covering coughs and sneezes, and personal hygiene are the best ways to prevent spreading germs. Students should be fever-free for 24 hours without medication before they return to school. We will greatly reduce the spread of illness if all parents would keep children home until they are no longer ill or contagious. Students are not able to remain inside during recess and lunch. All of our students play outside.

PARKING & SAFETY

It is best if you drop your children off a block away from school and have them walk, if possible. The fresh air helps wake children up, and a little bit of exercise gets their blood flowing. Please remember that the lane when leaving the school is drop-off only. Please pull up as far as possible when letting your children out of the car, and ensure your children are getting out of your car as quickly as possible.

We have a large number of parents who need to drive their children to school because they do not live near the school. If you live within walking distance, please walk your children to school. Please respect the rules around the school in regards to driving and parking. You cannot turn left into our parking lot or to leave our parking lot. Do not drive into our round about because it is a fire lane. You may drop your child off at the drop off/pick up area but do not leave your car unattended.

We know everyone is in a hurry in the morning, but there are close to 300 families at our school and if everyone does not follow the rules, it is very dangerous for our kids.

Thank you to the families who are respecting our parking lot rules even when Mr. Preddy and I are not outside. Your respect and integrity is greatly appreciated. Thank you.
